

## War Peace – Non violence

*Patrick Durand & Tania Zolty*

I had no idea to what point I can stand all the suffering  
feeling totally run down and somewhat sad  
So depressed while the crows fighting in my brain  
The fact that the deep scares are slowly killing me

I'd be lying if I said I didn't care  
created the ballet of profit destroying the earth  
And you'd be wrong thinking that I'd stop now  
I'm on a roll I'm on roll  
I'm on a roll I'm on roll

*Stand Now talk Now Peace Now*

*Recitation of the text Martin Luther King*

*“Non violence is the answer to the crucial political and moral questions of our time  
Negros of the United States following the people of India  
Have demonstrated that non-violence is not sterile passivity but a powerful moral force  
All the people of the world will have to discover a way to live together in peace  
If this is to be achieved man must evolve for all human conflict a method which rejects revenge,  
aggression and retaliation”*

*Stand now Talk now See now Peace Now*

Well you're certainly powerful  
Spitting out your venin into the air  
reaching far beyond the atmosphere  
you drove many away

For what case can we see?  
Religion stole the gold and diamonds  
till we ate, we ate out of your hands

*Stop now Talk now See now Peace Now*

Served us famine on a silver platter  
Making us use you as our saviour and force  
Forcing the mascaraed of hope the mascaraed of hope  
*Human not war human not war Human not war*

*Stand now Talk now Stand now Peace Now*
