

## Once there

*Tania Zolty*

Sitting on the border  
Looking through broken glass  
Fighting the order  
Seeping past

Ouuu...

When cracked light passed  
Insects crawling  
Dressed in black  
Running fast  
Running fast

Ouuu...

Once you're there  
You're nowhere  
Once you're there  
You're nowhere  
Trying always trying  
Trying always trying

Shshsh.....

Peel one layer  
Remove the player  
Sign below it's time to go  
Where I don't know  
I don't know

Chanting prayers  
On and on  
Ouuu... (\*4)

Mumbling all  
Avoiding the fall  
Calling calling  
Ouuu... (\*2)

Once you're there  
You're nowhere  
Once you're there  
No where  
Trying always trying  
Trying always trying
